

SHAZAM®*Chek* . . .

The card that's like
having your checkbook
and ATM card
all rolled into one!

SHAZAM®*Chek* may look like a credit card — but it's not! It's a new concept in checking. It's an electronic card that you can use like an ATM card or like a check to make cash purchases wherever you see the SHAZAM®, MASTERCARD®, or CIRRUS® symbols.

LEAVE YOUR CHECKBOOK AT HOME ...
SHAZAM®*Chek* replaces writing a check by allowing you to access your checking account electronically rather than writing a check. Or you can use it like an ATM card to access your checking and savings account.

NO HASSLE CHECKING ...
Paying with SHAZAM®*Chek* eliminates delays and check approvals.

TOTAL CONVENIENCE ...
because SHAZAM®*Chek* is easy to carry, it's always with you, everyday — at home or away. It's safer than cash.

BETTER RECORD KEEPING ...
with SHAZAM®*Chek* you receive a receipt of each transaction and your monthly checking account statement lists all of your transactions for reconciling your account.
